**Detailed project descriptions available upon request.*

“Powertek consistently provides exceptional support to the OCC. Their resources are professional, experienced and efficiently demonstrate customer service at all times. Powertek’s Management Team is highly engaged to ensure requirements are met timely and customer satisfaction is optimal.”

–OCC, August 2009

“Excellent leadership and management in all aspects. Employees are well versed in technology, and emerging technology, which keeps the Bank on the leading edge of projects supporting the business. Highly competent and capable in areas of security and penetration testing, including vulnerability analysis.”

– Ex-Im, August 2009

“Based on the quality and satisfaction levels of the work the Powertek team has provided over the course of the contract, [HUD] PIH would not hesitate in awarding another contract to Powertek. I have yet to work with a team that displays the level of dedication and professionalism that this team has displayed over the course of the DCG contract .”

– HUD, July 2009
